Infosys ETA - Introduction

Infosys ETA is online application which allows the admin to access and alter the various data related to ETA. The overall flow of the system is as follows:

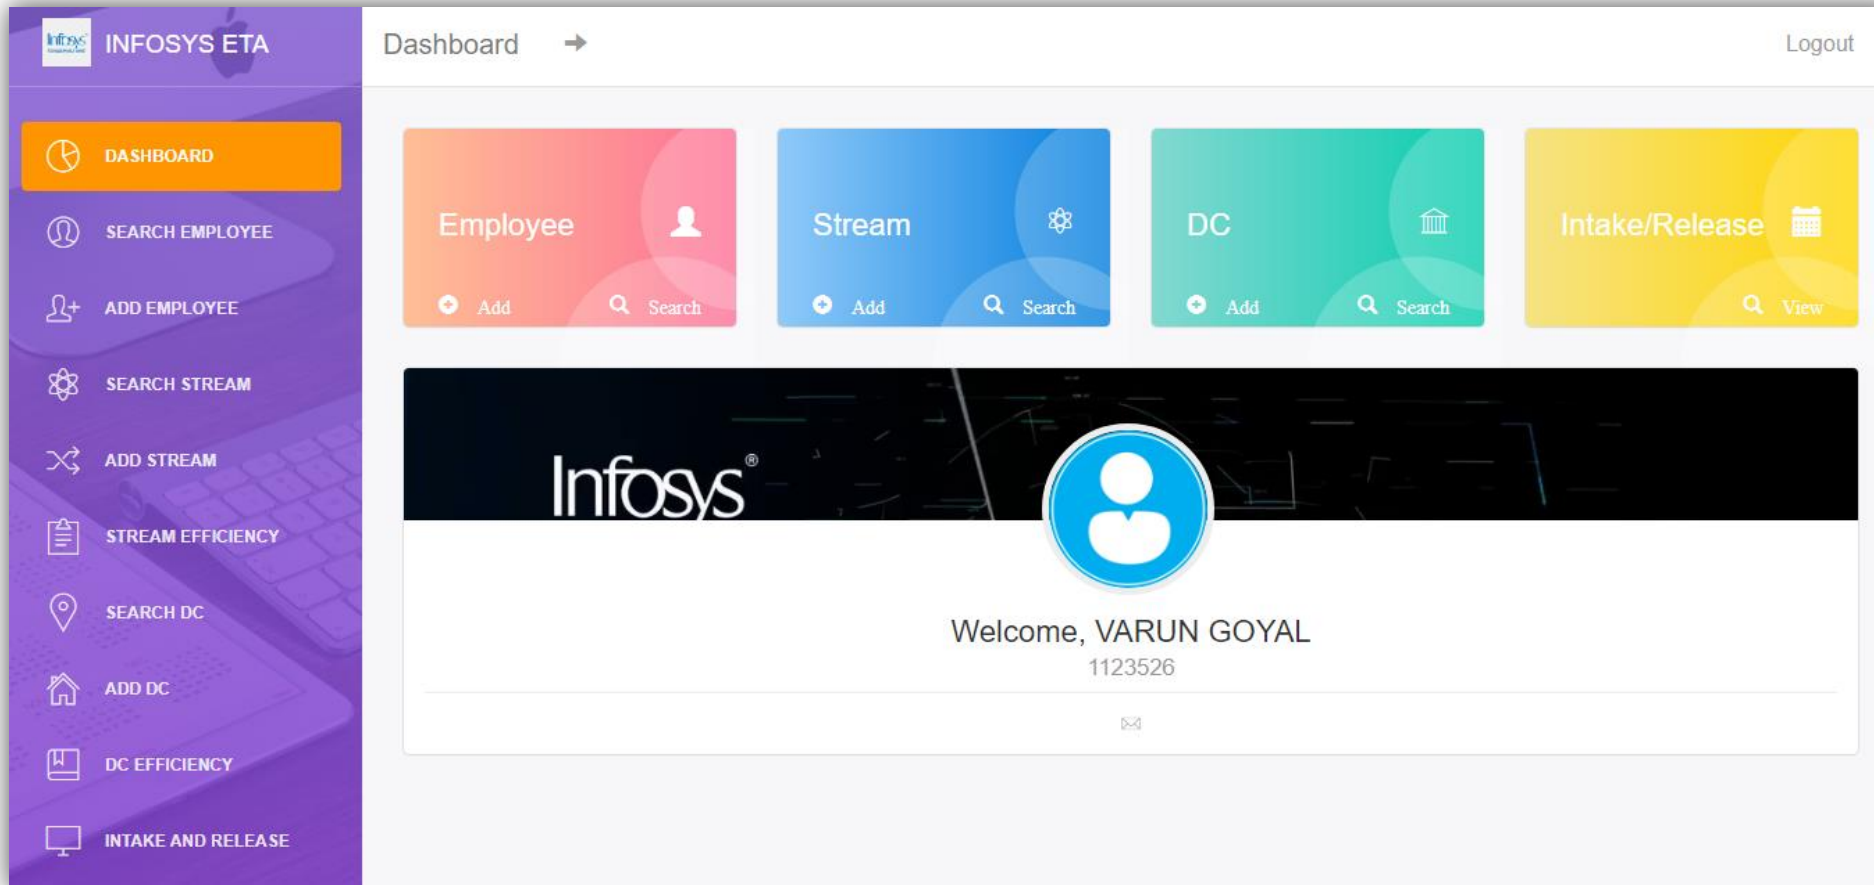

Infosys ETA - Login

The admin can log in to the Infosys ETA application to perform the different available functionalities.
The login Page consists of Admin ID and Admin Password fields.

Infosys ETA - Dashboard

The home dashboard page displays different functionalities and allows the admin to access them individually by entering the required options. On choosing the option, the system is redirecting the admin to that specified functionality.

Infosys ETA – Search Employee

In Employee Search page, Admin user can search using employee id and view information of that user.

Infosys ETA – Stream Efficiency

In Stream Efficiency page, Admin user can view and search stream efficiency information.
Admin user can export stream efficiency data in the form of excel.

The screenshot displays the 'Stream Efficiency' page in the Infosys ETA application. The sidebar on the left contains the following navigation items: DASHBOARD, SEARCH EMPLOYEE, ADD EMPLOYEE, SEARCH STREAM, ADD STREAM, **STREAM EFFICIENCY** (highlighted in orange), SEARCH DC, ADD DC, DC EFFICIENCY, and INTAKE AND RELEASE. The main content area has a 'Stream Efficiency' header with a right arrow and a 'Logout' link. Below the header, there is a search section with a 'SHOW 5 ENTRIES' dropdown, a 'SEARCH ALL:' input field, a 'Clear All' button, and an 'Export to Excel' button. A table displays the stream efficiency data with the following columns: SR.NO., STREAM NAME, TOTAL NUMBER OF TRAINEES, and STREAM EFFICIENCY. The table contains 5 entries. At the bottom, there is a pagination bar showing 'Showing 1 to 5 of 25 entries' and navigation links: First, Previous, 1 (selected), 2, 3, 4, 5, Next, and Last.

SR.NO.	STREAM NAME	TOTAL NUMBER OF TRAINEES	STREAM EFFICIENCY
1	MFM-SET-CFP22	47	97.87
2	MFM-SCG-BFP22	34	100.00
3	IVS-SET-BFP22	49	100.00
4	IVS-SCG-BFP21	26	92.30
5	MS-SET-CFP21	26	92.30

Infosys ETA – Search DC

In Search DC page, Admin user can search using DC Name and view information of matching DCs.

The screenshot displays the 'Search DC' interface in the Infosys ETA system. The sidebar on the left contains navigation links: DASHBOARD, SEARCH EMPLOYEE, ADD EMPLOYEE, SEARCH STREAM, ADD STREAM, STREAM EFFICIENCY, **SEARCH DC** (highlighted), ADD DC, DC EFFICIENCY, and INTAKE AND RELEASE. The main content area has a 'Search DC' header with a 'Logout' link. Below the header is a search form with a 'DC NAME' field containing 'Pune', a 'Search' button, and a 'Reset' button. To the right of the search form is a green button with a plus icon, labeled 'Add New DC'. Below the search form is a table showing search results. The table has columns: DC NAME, DC ADDRESS, DC STATUS, CURRENT NO. OF TRAINEES, CURRENT NUMBER OF EDUCATORS, TOT. NO. OF EMP. WHO COMPLETED TRAINING, DC EFFICIENCY, and ACTION. The table contains two entries: 'PUNE' and 'PUNE PH 3'. The 'ACTION' column for each entry has an orange button with a pencil icon, labeled 'Update specific DC'. The table also includes pagination controls at the bottom: 'Showing 1 to 2 of 2 entries', 'SHOW 5 ENTRIES', and 'First Previous 1 Next Last'.

DC NAME	DC ADDRESS	DC STATUS	CURRENT NO. OF TRAINEES	CURRENT NUMBER OF EDUCATORS	TOT. NO. OF EMP. WHO COMPLETED TRAINING	DC EFFICIENCY	ACTION
PUNE	PUNE-768900	OPERATIONAL	0	13	21	90.47	
PUNE PH 3	PUNE PH2	OPERATIONAL	0	0	0	0.00	

Infosys ETA – Add DC

In Add DC page, Admin user can add new DC into system by submitting below form.

Infosys ETA – DC Efficiency

In DC Efficiency page, Admin user can view and search DC efficiency related information.
Admin user can export DC efficiency data in the form of excel.

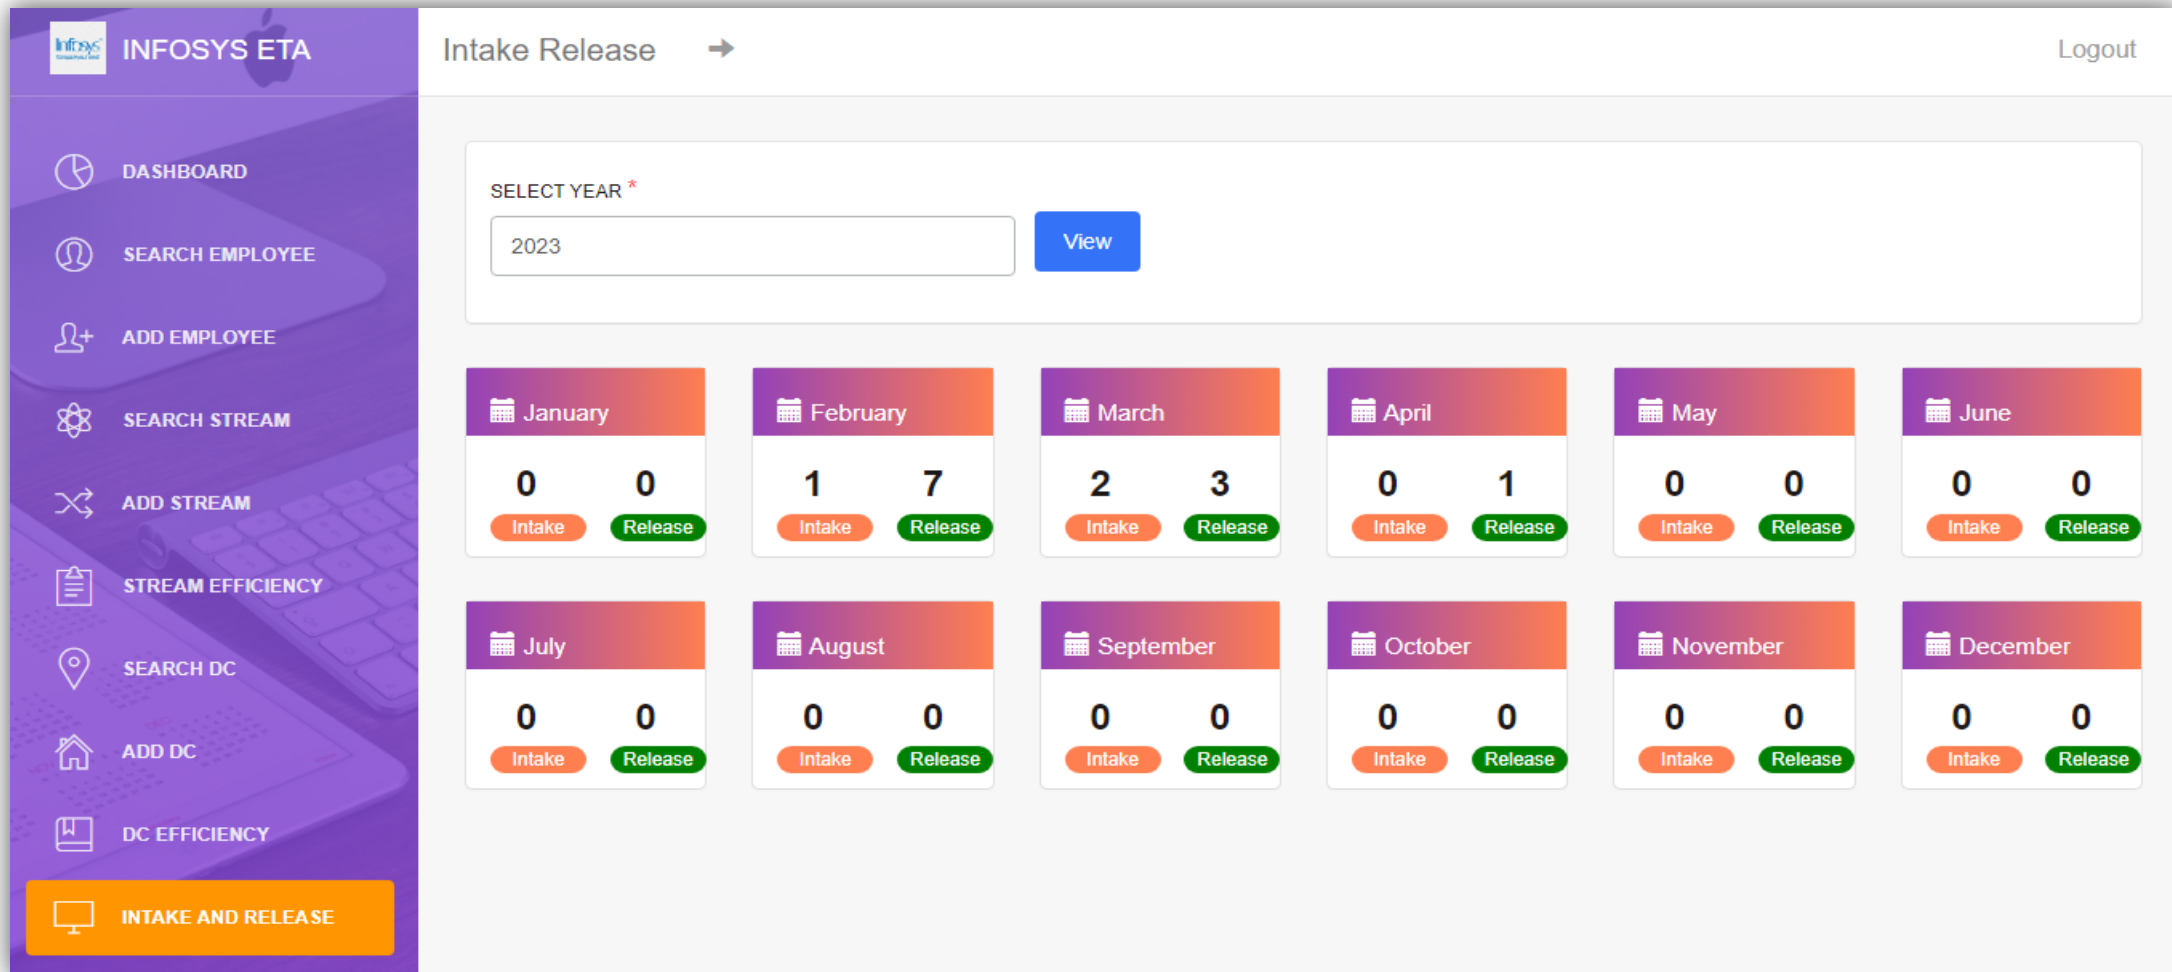

The screenshot displays the 'DC Efficiency' page in the Infosys ETA system. The sidebar on the left contains the following navigation items: DASHBOARD, SEARCH EMPLOYEE, ADD EMPLOYEE, SEARCH STREAM, ADD STREAM, STREAM EFFICIENCY, SEARCH DC, ADD DC, DC EFFICIENCY (highlighted in orange), and INTAKE AND RELEASE. The main content area features a 'DC Efficiency' header with a right arrow and a 'Logout' link. Below the header, there is a 'SHOW 5 ENTRIES' dropdown and a search section with a 'SEARCH ALL:' input field, a 'Clear All' button, and an 'Export to Excel' button. The search section is highlighted with a blue box. The table below lists the following data:

SR.NO.	DC NAME	TOTAL NUMBER OF TRAINEES	DC EFFICIENCY
1	MYSORE	127	99.21
2	HYDERABAD	69	98.55
3	BANGALORE	18	94.44
4	BHUBANESHWAR	4	75.00
5	CHANDIGARH	69	98.55

At the bottom of the table, it says 'Showing 1 to 5 of 25 entries'. The pagination controls include 'First', 'Previous', '1' (selected), '2', '3', '4', '5', 'Next', and 'Last'.

Infosys ETA – Intake & Release

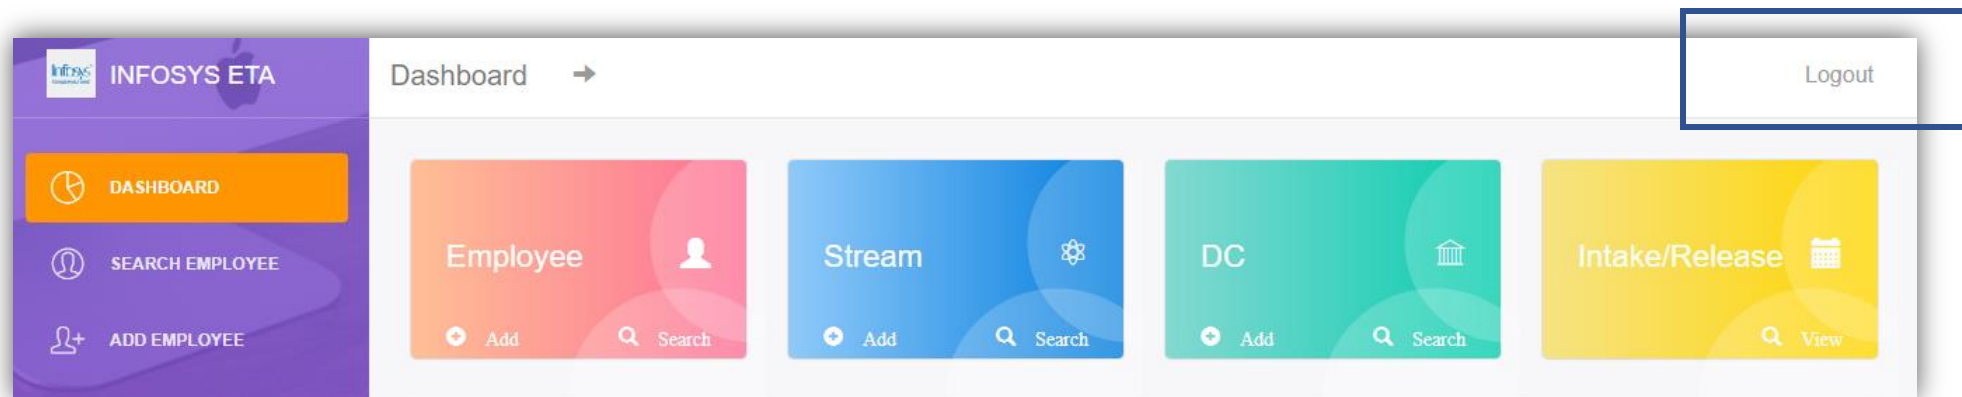

In Intake & Release page, Admin user can view month wise intake and release for selected year.

Infosys ETA - Logout

Admin user can logout from system by clicking on Logout.

If Admin user's screen is idle for more than 60 min, Then system automatically close the current session.

Infosys ETA – User Manual

Admin user can view and download Infosys ETA user manual from system by clicking on help button.

Thank You ...!
